

DEVELOPMENT & TRAINING STRATEGIES

Get your travel career off to a flying start!

Introduction to Travel

Course Outline

Travel Industry Operations

Domestic Fares & Ticketing

Galileo Reservations

Beginners International Fares & Ticketing

Understanding Fare Rules

Field trips include the SAA museum at Rand Airport, OR Tambo International Airport and various guesthouses and hotels

Our Introduction to Travel course has been designed for enthusiastic learners, serious about wanting to make a career in the travel industry. Learners will have the opportunity of inspection tours such as hotels, guesthouses and an airport tour, thereby giving them an insight into the Travel Industry.

Our exciting course not only includes the basic fares, ticketing and reservations knowledge, but also insight into land travel arrangements and the development of personal skills required in the workplace.

Learners who are deemed competent are well equipped to start a career in the travel industry either in an agency or with an airline.

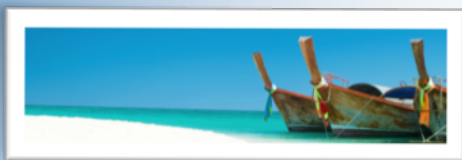

17 July – 31 August 2017
